## **Winter 2009 Newsletter**

Happy New Year to all members of the Canadian Masters Cross Country Ski Association. From all reports, winter came early to most of the country especially the Ontario/Quebec region. We were not as fortunate in Newfoundland as we had a late start to the ski season. In fact we are still waiting for the first significant snowfall of the year. We waited with anticipation last week as a storm coming up the Eastern seaboard dumped 50cms of snow on Prince Edward Island and 35cms on Halifax. It decided to change direction as it crossed the Gulf of St. Lawrence and we received at most an insignificant 5cms. For those of us going to the MWC this has played havoc with our training.

### **2009 MWC**

Registration had ended for the 2009 MWC in Autrans. and 34 Canadian Masters have registered. Below is a list of the Canadian participants. A total of 1132 skiers have registered for the event.

## **MWC 2010**

I will have more details about this event after the WMA meeting in Autrans. Unfortunately the dates conflict with the 2010 OWG which will undoubtedly limit Canadian participation. Check out their web site at [www.mwc2010.com](http://www.mwc2010.com) for more details.

## **2009 Canadian Masters**

Our National Championships are being held in North Bay, Ontario from February 24- March 1. For those of you that were unable to make it to the Autrans, I encourage you to make a special effort to attend our Nationals. The full race package is available on our association web site at [www.canadian-masters-xc-ski.ca](http://www.canadian-masters-xc-ski.ca) as well as at [www.northbaynordic.ca](http://www.northbaynordic.ca)

## **Masters web site**

I encourage all members to regularly visit our web site. I would like to use it as a means of communicating with the members. I have recently posted the Guidelines for Hosting the Canadian Masters and will have pictures of the 2009 MWC posted upon our return from Autrans.

## **Ski Draw**

I can't emphasize enough the importance of supporting the ski draw. It is our only means of revenue outside of membership fees and the funds from it are vital in running the organization.

This newsletter is relatively short as not much has happened since the Fall newsletter. The Spring newsletter will cover the 2009 MWC and our Nationals. If anyone has anything

they would like to see included in the newsletter, I encourage you to contact me.

Hopefully you will all have an enjoyable ski season. I look forward to seeing many of you at the 2009 MWC or the 2009 Canadian Masters .
