

CANADIAN MASTERS CROSS-COUNTRY SKI ASSOCIATION  
L'ASSOCIATION CANADIENNE DES MAITRES EN SKI DE FOND

**CANADIAN MASTERS CROSS COUNTRY SKI  
ASSOCIATION  
WINTER 2012 NEWSLETTER**

Happy New Year to all members of the Canadian Masters. Normally this time of the year the ski season is in full swing. Such is not the case however in some areas of the country, as reports from Manitoba and Saskatchewan indicate that snow is at a premium. Here on the west coast of Newfoundland winter was inconsistent for most of December but it has finally settled in with all our trails open.

**MWC 2012**

The MWC 2012 will be held in Oberwiesenthal, Germany. For anyone planning on attending the deadline for getting your Registration form to me is February, 5<sup>th</sup>. Prior to that you must pay the registration fee. You can do this on the host website at [www.mwc2012.com](http://www.mwc2012.com)

Hopefully Canada will be well represented.

**2012 Canadian Masters**

After one of the most successful Masters World Cups ever held in Sovereign Lake last year we are back in BC for the 2012 Canadian Masters.

The Golden Nordic Ski Club in Golden will host the event. The host committee has been working hard to ensure all participants thoroughly have an enjoyable time. The race notice is posted on the club website at [www.goldennordicclub.ca](http://www.goldennordicclub.ca) and also on the Canadian Masters website. I am looking forward to a large number of Canadian Masters participating and hopefully the BC skiers will come out in droves like they did last year at Sovereign Lake. The deadline to take advantage of the early registration fee is February, 15<sup>th</sup>.

### **Ski Draw**

I would like to thank everyone who supported our ski draw last year and encourage you to buy a ticket again this year. The draw will hopefully take place at the Canadian Masters. You can check our website for details.

That's it for now. I look forward to seeing many of you at the Canadian Masters.

Bruce LeGrow  
National Director
